

Supporting health, wellbeing and independence

Introduction to the Service

Recently commissioned by the London Borough of Bromley and Bromley Clinical Commissioning Group, the service to which we're recruiting provides a refreshingly new approach to supporting Bromley residents including support of older people, adults with long term health conditions, adults with learning disabilities, adults with physical disabilities, people with mental health issues and carers, and breaks down the barriers to employment and training. Utilising the knowledge and expertise of Age UK Bromley & Greenwich, Bromley Mencap, Bromley & Lewisham Mind, Citizens Advice Bromley and Community Links Bromley via a Single Point of Access, this innovative service will deliver new options for local people to help them maintain both their physical and mental health as well as their independence and employment opportunities.

We are looking to recruit an experienced Telephone Assessor to work on this exciting new project.

The aim of the post is to provide information, support and guidance to the residents of the London Borough of Bromley. The successful applicant will be based in Community House in Bromley
